From Director's Desk

It is a proud moment for me to be associated with GCSMCH&RC since the last 12 batches of an undergraduate student in M.B.B.S. course which provides the best education to our students and the 6th batch of post-graduate students in 21 branches of broad specialities and 2 branches of super speciality course in DNB. We have also started B.Sc. Nursing and Nursing College in the same campus to provide nursing facilities in the last 7 years.

We are glad to welcome Dr. Jagdish Khoyani (COO – GCS) to the GCSMCH&RC family and wish him the very best in his new role. Our goal is to give treatment to all needy, low economic class people and Ayushman Bharat Yojana patients for all the speciality and super speciality branches with full satisfaction of the patient and give the best training to undergraduate and postgraduate students to treat each case even in difficult situations.

Many congratulations to the 4th-year B.Sc Nursing students for achieving excellent results in the examination. Heartily thanks to all donors for their generosity in assisting the GCS Hospital to make difference in the lives of lacs of patients every year.

There were many events and activities organized in this quarter for staff to improve patient safety such as a celebration of World Patient Safety Day where all staff participated in the exhibition. I congratulate the winners of this exhibition for their creativity to promote patient safety.

Wish you a Happy Diwali and Happy New Year.

Dr. Kirti Patel
Director

From Chief Editor's Desk

I am very pleased to share the quarterly journey and milestones of GCSMCH&RC. We have been accorded the Certificate of Appreciation for adherence to the Quality Certification Standards of AB PMJAY. The theme of this year's "World Patient Safety Day" was **Medication Safety**. To commemorate this day, we organized an exhibition and panel discussion for pharmaceutical, nursing, and medical professionals of GCSMCH&RC. This competition was the merger of brainstorming & creativity and was an excellent opportunity for employees to improve medication safety in our hospital.

My hearty wishes to GCS Healthcare Academy's 1st batch for their future endeavors. Through completing our first year and welcoming new students, we have come a long way in GCS Healthcare Academy.

As a family of more than 1000 employees, we prioritize a safe working environment. To ensure this we arranged POSH (Prevention of Sexual Harassment) Training for all the GCSMCH&RC employees. There was a great deal of joy and energy in the GCSMCH&RC family during the Navratri celebration.

Our hospital is fortunate to celebrate the festive season with one of its core pillars: you. Thank you for pouring your blood, sweat, and tears into your work. Let's continue to grow together. Sending warm wishes on the auspicious occasion of Diwali and New Year to you and your family.

You can also read about various other achievements, activities & updates from around the organization in this 40th issue of the GCSMCH Newsletter. Happy Reading.

Sr. GM - Operations & HR

From Dean's Desk

Dear All,

GCSMCH&RC has been at the forefront of providing professional medical education in our country for the last eleven years. With dedicated and skilled faculty, excellent infrastructure, library facilities, laboratories, and skill labs, our medical institution has been attracting students from India as well as from other countries. The students who studied at this institution have been successfully practicing in many countries of the world.

In teaching and training, we not only influence our students, but we also have ripple effects that spread out in society and influence the lives of others.

GCSMCH&RC has received provisional recognition for PG Courses for the academic year 2022-23. As per NMC direction, new sessions for Postgraduate courses for the academic year 2022-23 may be started from October 2022.

I wish the students the best in all their efforts and hope all students of GCSMCH&RC may achieve flying colors in their University Examinations.

I would like to thank the faculty members and supporting staff for their efforts in teaching and training the undergraduates.

I request all medical graduates of GCS Medical College (past or present) to be a Life Member of the GCS Medical College Alumni Association. The Association is now registered under Charity Commissioner, Ahmedabad. Also in the coming month, we have the largest festival of light "Diwali". May the divine light of Deepavali add new spark and energy to our lives, and spread into our life peace, prosperity, happiness, and good health.

Wishing you all a Prosperous Diwali and a Blessed New Year!!

જીસીએસ હોસ્પિટલમાં વિશ્વ હૃદય દિવસ નિમિત્તે રિશ્યાલકો માટે ખાસ સીપીઆર ટ્રેનિંગ

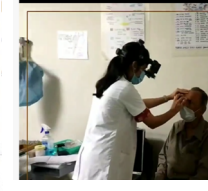

અમદાવાદ, શુક્રવાર આજે દર્દીઓ અથવા જ 'કાર્ડિયોક એરેટ' (હૃદયનું કામચલાઉ ખૂબ થીનું અથવા બંધ પડી જવું)ના ભોગ બને છે. તેઓને તાત્કાલિક સારવાર આપવા માટે 'સીપીઆર' ઈમરજન્સી માટેની ટ્રેનિંગની તાલીમ લીધેલી સામાન્ય વ્યક્તિ આ સારવાર દ્વારા દર્દીને તાત્કાલિક સારવાર આપી શકે છે. જો આનો તત્કાલ ઉપયોગ કરાય તો દર્દીની બચવાની તક ૪૦ ટકાથી વધુ વધી જાય છે. આ વિષય હૃદય દિવસ નિમિત્તે ૨૯ સપ્ટેમ્બરના રોજ જીસીએસ હોસ્પિટલ દ્વારા અમદાવાદ રીશ્યાલકો માટેના સુવિનયનના સહયોગથી રિશ્યાલકો માટે ખાસ સીપીઆર ટ્રેનિંગ આપવામાં આવી હતી. CPR એટલે કે કાર્ડિયો પલ્સનેરી રિસાઈટેશનમાં, હાર્ટ એરેટ આવે ત્યારે વ્યક્તિને થયાવના કઈ રીતે છાતીના કપા બાજમાં છાતીની કઈ સ્થિતિમાં પુષ્ટપ્રપ કરવું અને કેટલું દબાવવું તે અંગે જીસીએસ હોસ્પિટલના એનેસ્થેસિયા વિભાગના ડૉ. કિના છાનવાલ (એનેસ્થેસિયા ડિપાર્ટમેન્ટ હેડ) અને ટીમે રિકર્નલ દ્વારા સમજાવ્યું હતું. રીશ્યાલકોને CPRની આ પ્રક્રિયાને પ્રક્ટીકલ જ્ઞાન આપવામાં આવ્યું હતું. આ પદ્ધતિમાં કાર્ડિયાક એરેટ સમયે છાતી પર અડક નિષ્કત જવાયે, નિષ્કત સમયે છાત્ય આપવાનું હોય છે તેવાથી હૃદયના પંજારના પાછા શરૂ થાય છે અને વ્યક્તિની જીવ બચાવી શકાય છે.
